JCDA members are our future,
our strength, and our treasure!

Each court in Texas contributes ten cents per member yearly to JCDA. This money helps fund JCDA projects, helps JCDA state officers travel for meetings and the institutions of new courts, and helps with the JCDA Biennial State Convention. Dedicated sponsors across Texas give much more than money; they give their time, their talent, and their love to help girls develop their relationships with God, with their church, and with their communities.

Missions of Mercy

Our newest state project is designed to help people in Texas who are in great need. Six ministries are Missions of Mercy Projects:

**Cameron Park Colonia
Gifts for the Unborn
Casa Juan Diego
Our Lady of Guadalupe Women's Shelter
Clinica Guadalupana
Annunciation Maternity Home**

Memorial Scholarship Program

We believe in students
and in education!

Texas CDA has developed a program that

- ❖ Honors past State Regents
- ❖ Allows members to give the gift of prayer
- ❖ Gives graduating seniors who are JCDA members and/or who are related to CDA members the opportunity to apply for scholarships.

With the funds raised through the sale of Memorial Mass Cards, the Catholic Daughters of Texas have helped many students reach their educational goals. In the last five years, over \$150,000.00 has been awarded to talented, dedicated graduating seniors.

Juarez Mission School

The membership of Texas makes a biennial donation to a small mission school in Ciudad Juarez, Mexico. Our members' efforts have allowed impoverished students to experience the fulfillment of many dreams:

a renovated school building,

school supplies, computers,

books, desks,

and

HOPE!
